DAVID MCHUGH, DIRECTOR

I hope this issue finds you well and eagerly anticipating a great 2014 Car Season that we have peeking it's head around the corner – as we are! Time goes so fast... it's hard to believe that when Stephanie and I started to take on our duties with the Club, baby Jack was still in the womb, on his way, and here he is 6 1/2 years old with his sister right behind him at 4 1/2! It just goes to show that you have to enjoy every single moment... especially those shared with truly remarkable people. We hope you'll find a reason or two to smile as we propose some wonderful events designed to bring good people together to enjoy the car hobby just as much as they enjoy each other's company!

Special people are really important in this life. And it seems like the car hobby has a sincere tendency to bring really good, quality people together. This club is full of great car enthusiasts and our goal is always to connect you folks. Thanks for your patience as we do our best to plan the events of the car season and then to get the word out to you in a considerate and timely fashion.

In this issue, please find the 2014 Car Season schedule of events. You'll see some new endeavors, as well as some of our tried-and-true anchors – we hope you'll give them all a try to make this year's upcoming Car Season better than ever. First up is the Garage Tour planned for May 24 followed by the Club's 30th Anniversary Brunch scheduled for June 22 (also my birthday!).

Which brings me to my last point.... A few of you have yet to renew your membership. Even though it differs from the way the National CLC does it, it's just easier for us to manage the club if everyone's on the same schedule. We're trying to move toward total club renewal in February or March at the latest, so please keep this in mind as you consider renewing your membership for the 2014 year. New members, we're thrilled to have you; and veteran members, we hope you'll keep coming back for more as we have a great season planned! We hope to see you all very soon. Until then, drive smart, drive right, drive Cadillac!

Cadillac & LaSalle Club Pittsburgh Region Garage Tour

Saturday May 24, 2014

This year's tour will take us to John & Fran Kiser's on Saxonburg Blvd. This is a return trip since we were there in 2008 however members want to return. John likes to bend metal and has built and restored many vehicles. Remember the Steelers Terrible Truck? Well, John is the builder and it sets in his garage along with many others. John takes pride, as he should, in building scale model vehicles. Most are over six feet long and the craftsmanship is outstanding. They will make your eyes pop.

We will meet at 9:30, Saturday morning at the Eat & Park Rt. 8 and Saxonburg Blvd. then head to John's Toy Shop.

After completing our tour of the Kiser's collection we will head to Glassport, about 15 miles away, stopping for lunch at Panera Bread on Rt. 51. That's located at the South end of the Southland Shopping Center.

Next stop is Ray's Spring Shop in Glassport. Ray Tomasello and his wife Mary along with their two sons Frank and Tom operate a very nice truck spring business. Complimenting there bread & butter business they also restore a few cars, mainly Cadillac's. Their award winning cars have popped up at our shows along with Central Pennsylvania and Potomac Region shows to name a few. They are just completing a beautiful black & white 59 Coupe De Ville that is certainly eye candy.

As in the past we will be joined by our friends at the AACA Butler Old Stone House Region along with other Cadillac quality people.

You are welcome to bring the ladies or friends. Of course we will need some idea of how many will be attending. Please RSVP, before 5-17-14, e-mail Herbynet@aol.com or phone 412-848-2408. I will forward a map with directions at that time.

Hope you can join us for a fun day,
Lee Herbermann
