Many folks are still receiving courtesy copies of the Caddy Chatter, even though their membership has expired. This will be the last courtesy issue – from October on, only members-in-good-standing will receive this publication.

Please double-check your mailing label on page 6 of this issue. Below your name, your CLC National Membership Number will be followed by a local code. If it says "Exp.", your local dues have expired. We hope you'll renew your membership and continue to participate in our vibrant local-chapter activities. For details on membership renewal, see "The Merits of Membership" on p. 6 of this issue or see our website.

From the Desk of the Director

DAVID MCHUGH, DIRECTOR

Sadly, back-to-school means a winding-down of Car Season....

It's in the air... the evenings are a little cooler, the school buses are back in business, and car cruisers are noticing their "dance cards" aren't quite as filled with car shows and events.

Even though these harbingers of fall sound the warning that the seasons are changing, the Pittsburgh Region of the Cadillac-LaSalle Club is holding onto hope that our last two events of the season will be well-attended successes.

On Sunday, September 23, we'll host our annual Picnic. This year we thought we'd try a change of venue to South Park (the Picnic was held at Moon Park in prior years). For de-

tails on the Picnic, see page 3.

Additionally, our Activities Director, John Norris, has been working hard to finalize the club's plans for the Falling Water Excursion, scheduled for October 20. This promises to be a fun-filled event for all. For details and registration information, see page 5.

Don't forget about the Friday Car Cruise at Northway Community Church and the Sunday Car Cruise at Caste Village — these are two well-attended weekly events quickly coming to a close for the season (for details, see page 6).

One more plug: last month, I encouraged all to think about attending our Regional Board Meetings. They're held every six weeks (or so), usually in Robinson

Twp. at the Eat 'N' Park — check page 1 of your *Caddy Chatter* for any potential changes in location. All are welcome to assist in the planning of club events.

In this issue of *The Caddy Chatter*, see how two of our Regional Board Members, Lee Herbermann and Mike Josephic were honored at the Grand National held in Savannah, GA at the beginning of August (page 3). Congratulations Lee and Mike! Finally, a classic article (from 1928) can be found on page 4 — the sentiments are still true of Cadillacs and LaSalles, nearly 90 years into the future. So now, even more than ever... Drive smart; drive right — Drive Cadillac!

Apricot Cake

This recipe is originally for Poppysed Cake, but my mom always used Apricot filling instead because we kids preferred it. It's a super-moist cake that's a hit at picnics, etc.! If you're looking to make "something different" that's EASY,

Sift together:

3 C flour
2 C sugar
1.5 t baking soda
.5 t salt

Add:

4 eggs
10 oz. vegetable oil
1 t vanilla
1 (11-13 oz.) can evaporated milk
1 jar Baker's Apricot filling

Grease and flour pan (I like to use a bundt pan). Bake at 350 degrees for 50-60 minutes.

The Pittsburgh Region CLC Annual Car Club Picnic

The Pittsburgh Region CLC Annual Car Club Picnic is scheduled for Sunday, September 23, 2007. We'll meet at Grant's Grove in South Park, PA (we thought we'd try a new location this year) at 12 noon.

There's no cost for the Picnic. Hamburgers, hotdogs, bratwurst, and beverages will be provided and each attending member is asked to bring a covered dish (salads, side dishes, and desserts welcome!).

We usually get a turn-out of at least 20 folks. Please R.S.V.P. by calling Dave and Stephanie at 724.942.6365 so we can be sure to bring enough meat and beverages to serve everyone.

Directions to Grant's Grove appear at right. Hope to see you there!!!

Directions to Grant's Grove in South Park:

Take the Parkway to Exit for Rt. 51 South.

Follow Rt. 51 South to Rt. 88 South.

Follow Rt. 88 South to the entrance to South Park (Pasta Too restaurant will be on your right and the entrance to South Park via Corrigan Drive will be straight ahead past the intersection).

Upon entering South Park on Corrigan Drive continue past the ice and roller skating rinks (on your right) to the circle on Corrigan Drive – if you pass the tennis courts, you've gone too far.

Proceed three-quarters around the circle and make the right onto Stone Manse Drive.

Make your first left and Grant's Grove is immediately on your left.

Directions to the Grove from Brownsville Rd.:

From Brownsville Rd., turn onto Maple Springs Drive, just south of the South Park Golf Courses.

Two of the 'Burgh's Own are Honored

At the Cadillac-LaSalle Grand National Event in Savannah, GA, in early August, two of the Pittsburgh Region's own were honored. Lee Herbermann (on right) received the Ken Moss Lifetime Achievement Award for his many years of service to the Cadillac-LaSalle Club.

On the left, Mike Josephic is holding the Best of Show (Post-War) trophy for his 1955 Cadillac Eldorado. Congratulations Lee and Mike! Way to make us proud!

1928 Cadillac-LaSalle Article

CADILLAC-LASALLE

Creators of Today's Vogue In Motor Car Styles

IT IS obviously unfair to the older cars in the fine car field to attempt a comparison with Cadillac or LaSalle. They are of the tempo, tastes and technique of yesterday. Whereas Cadillac and LaSalle are the spirited and modernistic interpretation of a tomorrow so far ahead of today as to have already inspired many attempts to look like Cadillac and LaSalle.

But enlightened and competent critics of motor cars and motor-car values have not confused these efforts with the perfection of Cadillac craftsmanship and Cadillac and LaSalle have won the most exacting following by a very large margin. Expressed in percentage of sales, Cadillac has captured over 60 per cent and LaSalle over 46 per cent of all the purchases made in their respective price divisions. Now LaSalle offers a still further incentive by increasing the measure of value beyond all possible comparison.

Every body type, from two to seven passengers, is included in the extensive LaSalle line and the five new body styles just added comprise a two-passenger Business Coupe, five-passenger Fam-

ily Sedan, five-passenger Coupe, five-passenger Cabriolet Sedan, and seven-passenger Family Sedan—the latter three on a 134-inch wheelbase.

The regally beautiful Cadillac, final embodiment of all that a finer car can be in this modern age, is likewise available in every variety of model that motordom has devised. Nor have the desires of those who seek absolute individuality been overlooked; for both Cadillac and LaSalle are offered also with special custom-built bodies by Fisher and Fisher-Fleetwood and the exclusive group for whom they have been created have responded to an extent that has broken all precedent.

The combined Cadillac-LaSalle line meets the widest variety of needs and tastes. Never has there been a line so beautiful, so complete, so varied.

All these advantages, plus the superb performance of the heavy duty, 90-degree, V-type, eight-cylinder engine, give the preference so overwhelmingly to Cadillac and LaSalle that the dominant position they occupy is precisely what you would expect.

A representative display of the new Cadillac and the LaSalle will be found at the Automobile Show.

Calling All Cadillacs!

Each week, the North Way Community Church (NWCC) sponsors a wonderful Friday Night Car Show. A particular model, make, or genre of cars is spotlighted, but all are welcome.

Additionally, each week, Caste Village Shopping Center in the South Hills sponsors a wonderful Sunday Evening Car Show. All are welcome there, as well.

Both shows are on paved lots. NWCC boasts tree-lined grass islands throughout to provide shade, numerous food vendors, and restrooms. Caste is home to two fabulous restaurants: Armstrong's and Frisch's Carrick Poultry.

A DJ is present at both shows to spin the oldies. Both the NWCC and Caste Village do a first-class job with these shows.

Take advantage of these two opportunities to shine - you can bookend your summer weekends with spectacular car shows in both the North and South Hills of Pittsburgh!
