SEPTEMBER 2011

THE OFFICIAL NEWSLETTER OF THE PITTSBURGH REGION CLC FOR OVER 20 YEARS

From the Desk of the Director

When I think of only one word to describe this summer, the one I come up with is "full"! This summer seemed shorter than usual, but nonetheless, was jam-packed with events and happenings.

Lots of car events, certainly, peppered the calendar- see the pictures to the right and below for some of the beauties from our own CLC show at Rohrich. We had great weather, a great turnout (even some cars we have never seen!), and, of course a great time. Our thanks to everyone who helped to make the show a success.

The Car Show just wasn't the same this year, though, because a beloved member of our CLC was missing: Paule Peacock. Paule and Alan, with their 1969 yellow Coupe deVille convertible, have been anchors at the show for many, many years. Paule's passing this summer (the week before the show), cast a pall on the show that even the brightest sunshine and most beautiful cars couldn't dispel. Paule, her wonderful personality, sparkling humor, and her love for Cadillacs will be deeply missed.

Our next event is the Annual CLC Picnic. We considered a change of venue, but in the end, Grant's Grove seemed like the best choice (at least for one more year). Please see page 2 for more details and directions.

Lastly, please keep your eyes open for one more Chatter and more information on the Fall Foliage Destination Cruise. The details still need to be worked out, so there will be more to come!! Until then, we hope to see you at the Picnic! Drive smart, drive right, drive Cadillac!
